

Arthur Chien

*Chief Financial Officer and Director*

As Canadian Solar's Chief Financial Officer, Arthur Chien brings significant experience in global financial operations to Canadian Solar's executive team. Chien served as an independent director of Canadian Solar from December 2005 until September 2007, when he assumed the Vice President of Finance position. He helped the company **xx** and took the leadership as CFO and board member in June 2008. Since then, Canadian Solar has seen **xx** quarters of **xx** growth.

Prior to joining Canadian Solar, Mr. Chien served as the managing director of Beijing Yankee Investment Consulting Co. Ltd., a company which provides financial consulting services and manages its own investment projects. Before joining Beijing Yankee, he was Chief Financial Officer of China Grand Enterprises Inc., a diversified investment holding company based in Beijing, China. His global financial experience includes finance, investment and management positions with leading organizations in Canada, Belgium and China, including as Chief Financial Officer of the Chinese operations of NV Bekaert S.A., a Belgium-based manufacturer of advanced wire products, materials and coatings.

Chien holds a Bachelor of Science degree from the University of Science and Technology of China and a Master of Economics degree from the University of Western Ontario, Canada.
